

David would like to be taken on by the International Placement Services....

IPS: Which languages do you speak? Can you already speak some German?

D: My native language is Spanish. I have basic German skills, but I'm motivated and I can work on it!

D: Not so much, I have finished my apprenticeship and I have done an internship. But I'm open to new ideas!

D: I'd like to write my CV in German, but I need some help with this...

IPS: Do you already have work experience?

IPS: I can support you with that, it's no problem.

D: No, I don't have any specific preferences. I'm looking forward to a new experience.

IPS: Would you like to live and work in a certain area in Germany?

D: I'm not really sure what kind of jobs I can do in Germany.

Determination of potential

IPS: Then let's narrow down some potential occupations for you!
