Isabella, 13: 07pm:

Hi, I'm Isabella from Italy! I'd like to live and work in Germany, but I need some help with that. I've heard about this Your first EURES job programme...

VWC, 13: 09pm:

Hello, Isabella! If you are an EU-citizen with residency in a YfEj participating country, then you are at the right place!

Tell me about yourself! What have you learned or studied? Are you currently employed?

Isabella, 13: 12pm:

I am 25 years old and I have done an apprenticeship as a practice receptionist. I only have one year's work experience, and I'm currently looking for a job. Is that ok?

VWC, 13: 14pm:

Of course! The YfEj programme offers jobs, work experience, and apprenticeships for young people between 18 and 35 years.

Isabella, 13: 15pm:

That's good to know! But how can I look for a job? I'm in Italy right now.

VWC, 13: 17pm:

First, you have to be registered with the International Placement Services. You will receive personalised advice and support.

Isabella, 13: 19pm:

Could you send me the contact details? That would be great!

VWC, 13: 22pm:

You can send me your CV and contact details via email and I can forward everything on. An advisor will then respond to you personally.

Isabella, 13: 23pm:

Ok, that's great! Thanks a lot! 😊
